Tina:

I now have all the data and sources for that Table 2 in the Private Demonstration. I have the citation as the following, but will go into more detail in that citation.

U.S. Census Bureau, 2007 Economic Census, 2007 Economic Census of Island Areas, and 2007 Nonemployer Statistics. Note: The data in this file come from separate 2007 Economic Census Industry Series, Geographic Area Series, and Summary Series data files, as well as data files from the 2007 Economic Census of Island Areas and the 2007 Nonemployer Statistics. These files are released on a flow basis from March 2009 through mid-2011. The national data are subject to change; they will be replaced when updated data are added from the Geographic Area Series and Summary Series.
